Hebron School

The grade school facilities were vastly improved this year. Six classrooms and a library were added to the grade building. As a result all grade school children were housed in the grade building for the first time. The grade library offers the children an opportunity to enrich their learning with material other than that gained in the classroom. Grade school teachers and children are also very proud of their new furniture.

High school students and faculty profited from the grade children moving. For the first time in several years each faculty member had a room to call his own. Also, there was no need to use the cafeteria for a study hall nor the library or auditorium as a classroom. The expanded facilities also allowed the eighth graders to have their lockers on the south side of the building and provided space for additional lockers.

Dedication

The Class of 1964 wishes to dedicate our Seneca to Miss Helen Nolan. Although we never knew her as a teacher, her services to Hebron Schools have been invaluable.

Congratulations on the completion of your forty-ninth year of teaching. May you continue to do as fine a job as you have in the past.

Administration

The administration is headed by Mr. Dillabaugh and Mr. Knauff. They are ably assisted by Mr. Gwin, Assistant Principal; Mrs. Berrier, Dean of Girls; and Mr. Allison, Grade Teaching Principal.

The administration is responsible for providing adequate facilities and equipment. They also determine what courses are to be taught and who will teach them.

The administration advises students in choosing their course of study. Through their tireless efforts, the students, faculty, and community have a school of which we can be proud.

Secretaries Jo Guillod and Doris Ellenson serve the school as treasurers, perform clerical duties for the administration, and operate the duplicating machines for the teachers.

The faculty has many varied activities other than the usual classroom activities. Faculty members have taken their classes on field trips. They have sponsored Christmas card sales and magazine sales, attended sock hops and dances, worked at basketball games and track meets, and directed class plays. Faculty members also serve on a committee to select textbooks for the county. Participation in the Thanksgiving and Christmas programs were enjoyed by the high school faculty. Highlights of the school year were the annual chicken bar-B-que and the senior-faculty basketball game.

SENIOR CLASS OFFICERS

We Seniors have completed 12 years of school. These years have brought us joys and sorrows, honors and disappointments, plenty of hard work, but also the satisfaction of jobs well done.

We now have the responsibility of finding careers for ourselves, to make ourselves useful and to take our places in the world.

After this year most of us will go our separate ways, but we will never forget the experiences and fun we have had and the people we have met at Hebron High.

The seniors created a stir of activity throughout the school year. In October they presented a play entitled "The Curious Savage." The class then sponsored a fish fry as their last major money making project in preparation for their senior trip. At Christmas time they put their heads together and came up with a delightful contribution to the annual Christmas program.

The last week in March was one that will be long remembered as New York and Washington, D.C. were visited by the class.

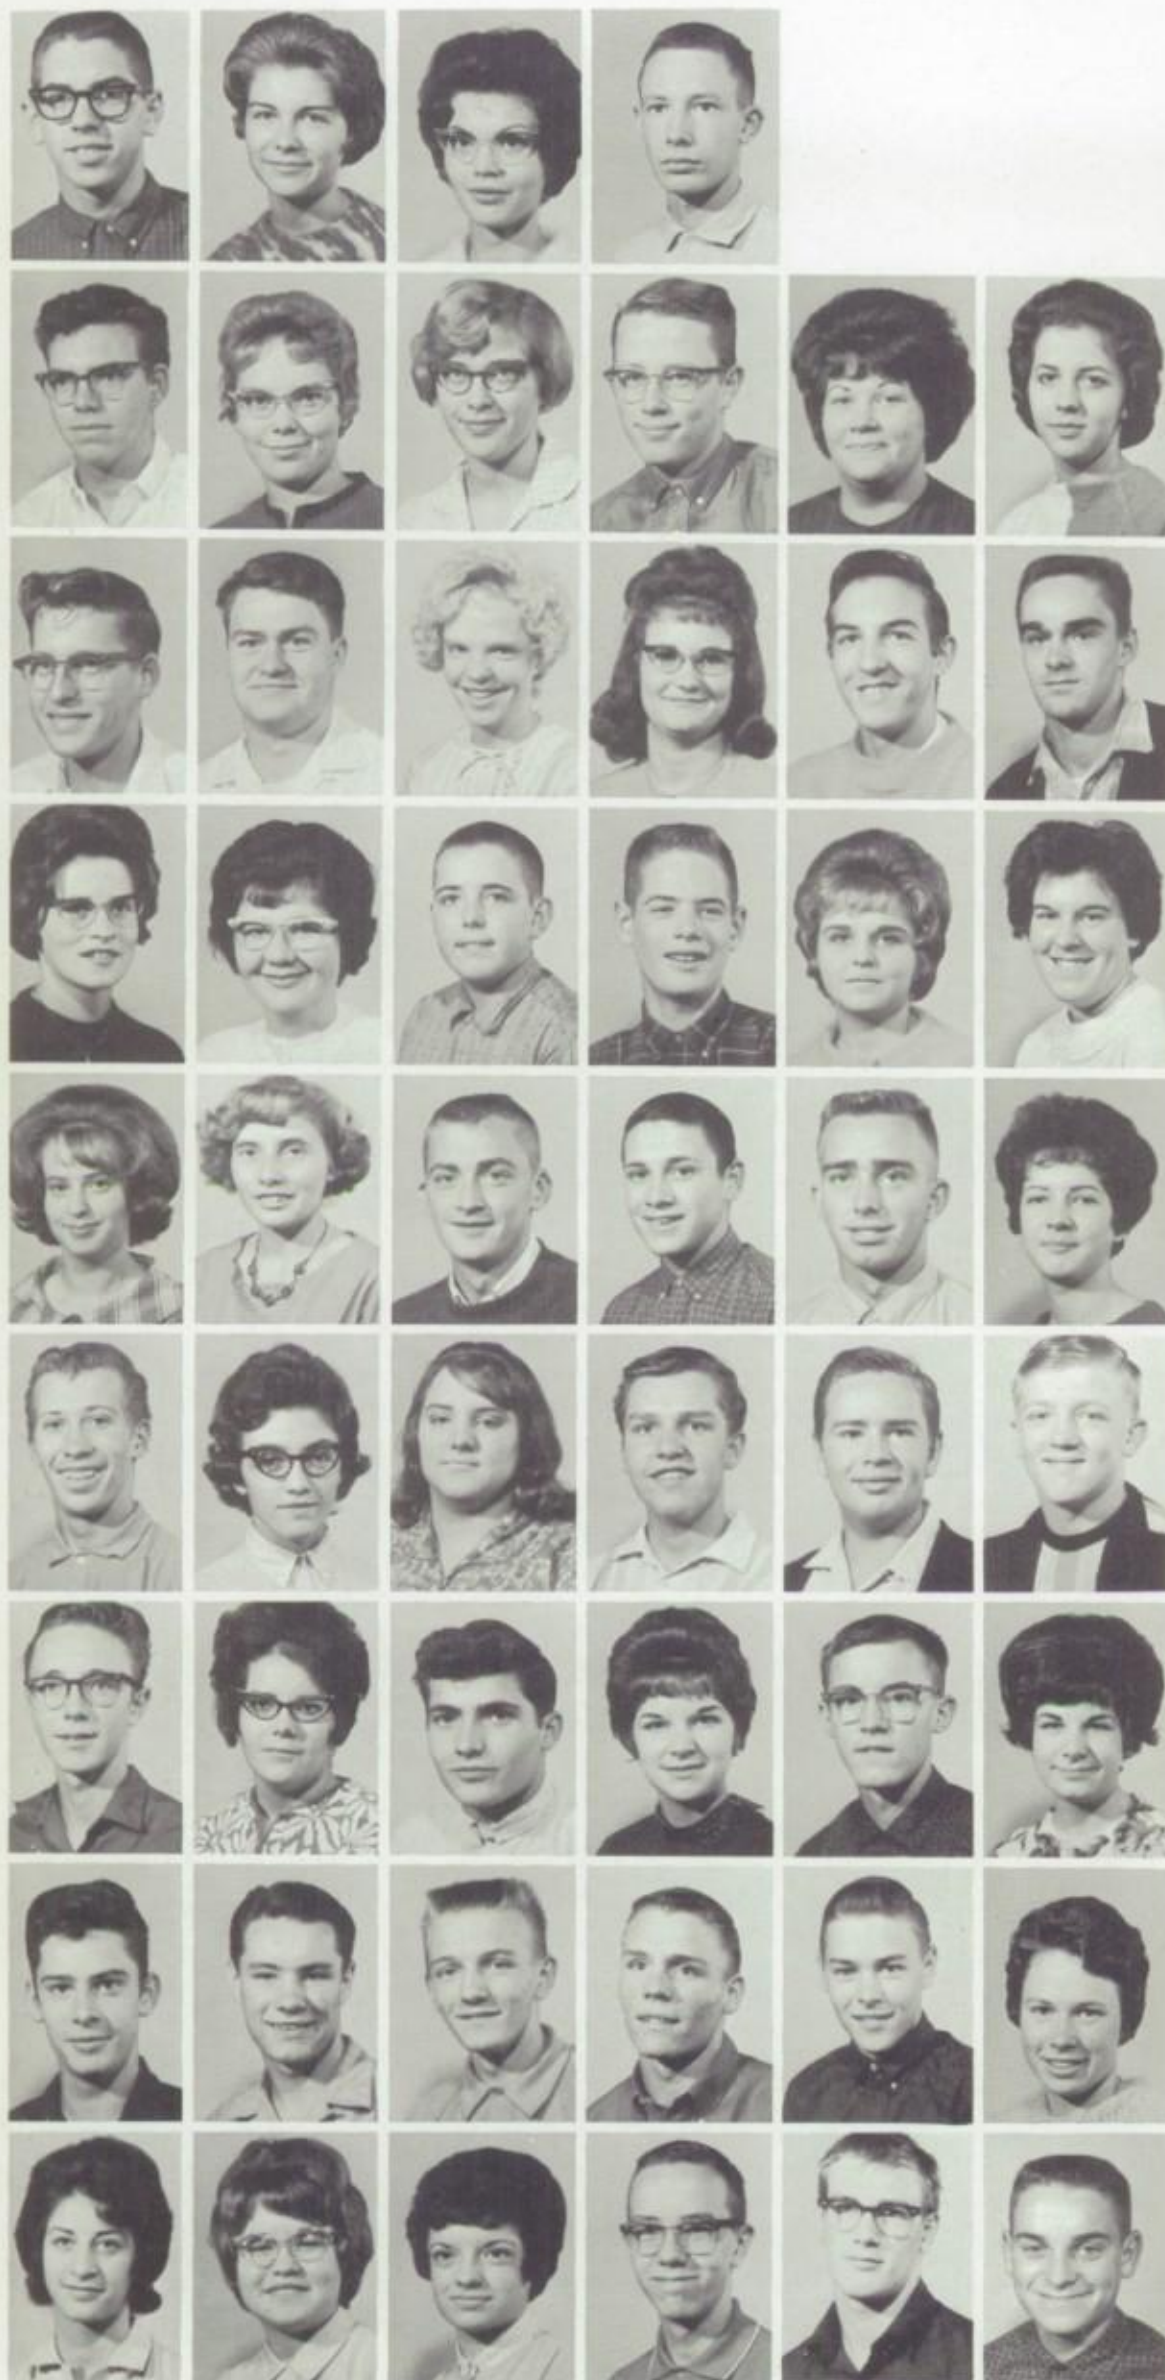

The final month of the school year was filled with activity. The prom was beautiful and very important but the crowning activity of a successful school year was graduation.

We earned money for our Senior trip by selling Christmas trees and by running the concessions at the Junior High basketball games. One of our social activities was a skating party at Fisher's Pond.

This year the 57 sixth graders have enjoyed the privileges of many activities such as their class parties, one field trip, and having a basketball team. Besides these activities they have learned all about the old countries' customs and achievements.

Next year and years later they will look back to their happy days of grade school and realize that sixth grade was the stepping stone to Junior High School.

The third grade has brought us many changes to our classroom activities. We have changed completely from manuscript to cursive writing. We have begun the use of textbooks in place of workbooks and we have begun the study of some new subjects. Our new subjects include social studies and learning multiplication and division. Also, we have a music class and a T.V. science class.

This year we have been working very hard. But despite the many wonderful projects our teachers managed to arrange for us, we were still able to create a goodly amount of mischief. The accomplishment we are most proud is learning to read.

Activities

Honors

Gloria Garlach was chosen as the Betty Crocker Homemaker of the year for 1964. She was selected for the honor on the basis of a test on which she received a high rating.

Diana Olsen was selected on the basis of her outstanding leadership qualities to represent our school as this year's D. A. R. good citizen.

Doria Armstrong was awarded first place honors in this year's American Legion Auxiliary Oratorical Contest. She delivered an effective speech entitled, "Our Constitution in a Changing World."

Roberta Skinkle and Carol Martin were selected as delegates to Girls' State where they received much valuable knowledge about our Indiana government in action. Cheryl Aylesworth and Diana Olsen were the alternates.

Honors

By actually putting government into action, Hoosier Boys' Staters learned the fundamentals and complexities of our state, county, and local governmental systems.

Recognitions

Without Jim Bowen to keep our pop machine filled, the water fountain would be far overworked, therefore, we are very indebted to him for this service.

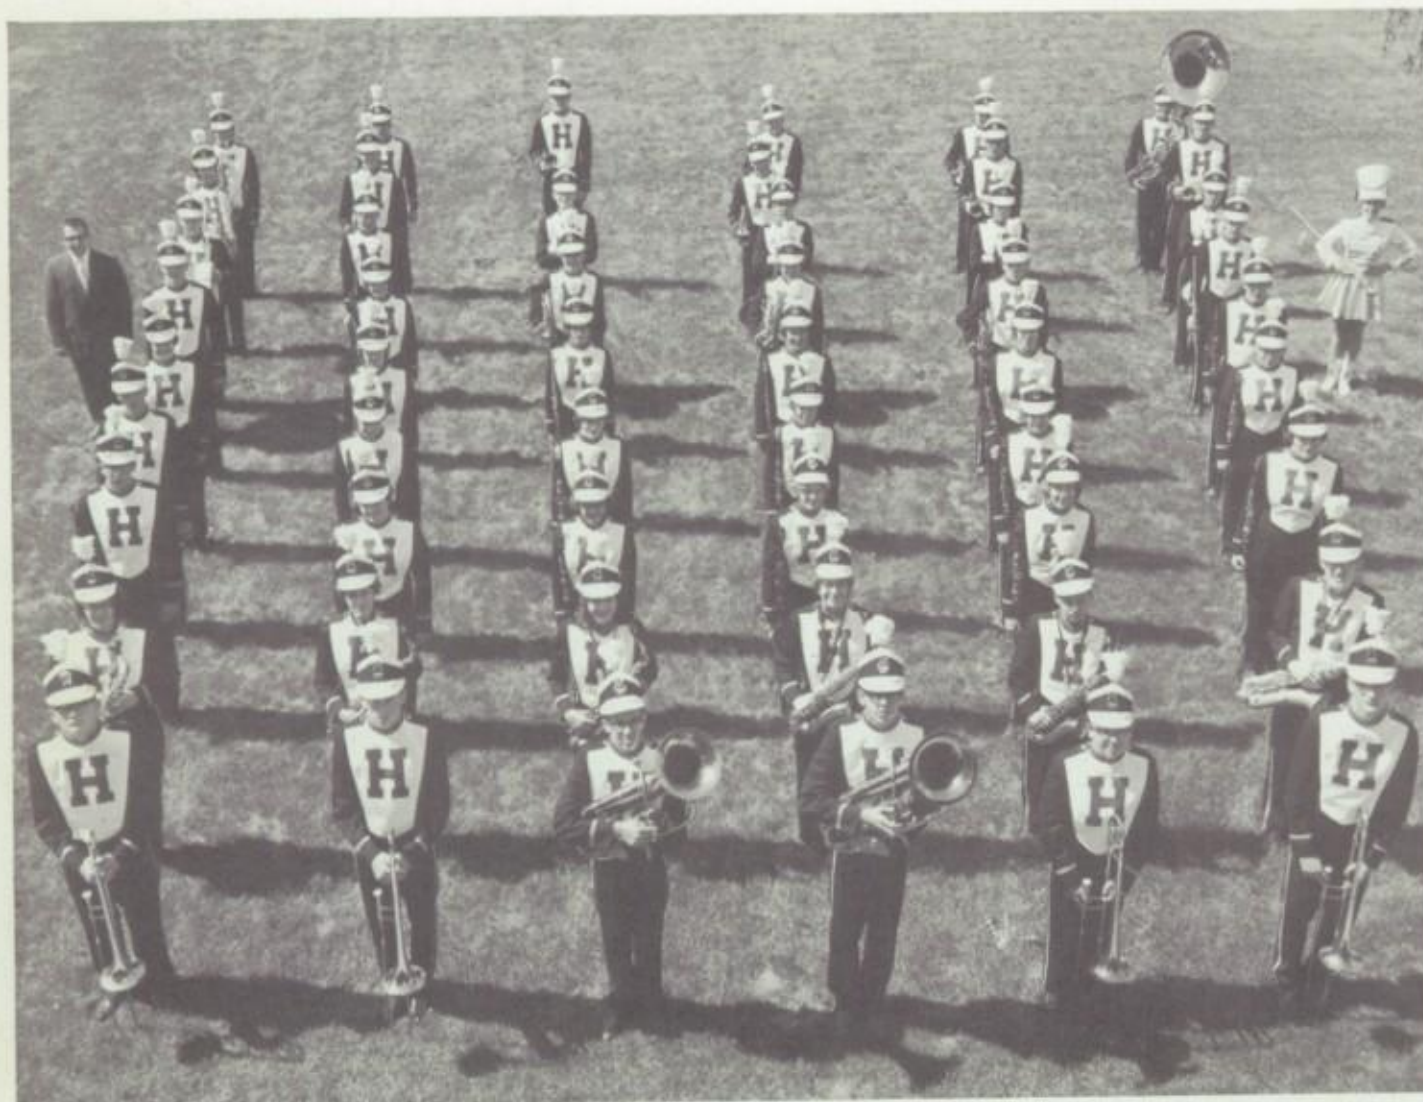

Charon Snowden, student librarian, finds her job among the books quite interesting in addition to being a help to Mrs. Gidley.

Student secretaries Diana Olsen, Judy Klemz, and Rob Skinkle give assistance where needed to help our school run more smoothly.

Rob Skinkle helps to keep everybody happy by filling the candy machine with their favorite treat.

Mr. Bondi and his 54 piece high school band created a note of excitement and delight everywhere they went. They were drumming up music from the moment school took up in the fall until the closing day in the spring. Their activities included marching at the Valparaiso Homecoming Parade, providing music for the Cake Walk, participating in the Harvest Moon Festival held at LaCrosse, and giving both a Christmas and a Spring Concert. During the basketball season they had the fans swinging along with their presentation of three novelty marching shows. Also, during the year they took part in the District Band Contest and the County Music Festival. This year our band really sparkled and shined, not only in music, but also in the new uniforms.

Pep Band

Thanks to Mr. Bondi and his "swinging 22" there's never a dull moment at our basketball games. They "Rock Around the Clock" with a contagious tempo that soon has the fans calling for more. When this "Strictly Dixie" group bursts forth with "Swing Low Swing" or "Forty Winks," they can't be beat.

Junior Band

This is our Junior Band. They'll soon join the ranks of our High School Band. In preparation for this, Mr. Bondi has taught them well the fundamentals of good musicianship. The Junior Band participates in the Christmas Concert and the Spring Concert.

Chorus

The golden voices of the Hebron High School Chorus ring out a welcome to all who hear them.

Mr. Bondi, their director, has led them on a whirlwind of events this year ranging from concerts and music festivals to music contests. A group of chorus members who especially enjoy providing entertainment through song was organized this year for exactly that purpose. They are Cheryl Aylesworth, Donna Keeling, Pat Steffel, Carol Martin, Steve Nethery, Matt Bryant, John Knauff, Dick Norris, and Donald Yeoman. They are also accompanied by Doria Armstrong.

Student Council

The Student Council gives the students an opportunity to discuss their problems and present them to the administration. The council owns and operates the juke box used at sock hops and during the noon hours. Projects this year have been a "flash and clash" day, a Thanksgiving convocation, and a New Year's Eve Party. One of the highlights of the year was sponsoring Hebron's first "College Night." Representatives of eleven colleges talked to students interested in continuing their education past high school. Cheryl Aylesworth attended the National Student Council Convention at Ann Arbor, Michigan. Attending the State Student Council Convention at Indianapolis were Cheryl Aylesworth, Diana Olsen, Rob Skinkle, and Bob Smock.

Sharing the presidency this year were Cheryl Aylesworth and John Knauff. Cheryl served as president the first semester and John the second semester. This unprecedented arrangement occurred when there was a tie in the balloting in each of two elections.

Rob Skinkle and Bob Smock represented Hebron during the Student Council Workshop at Bloomington. They learned many new ideas as to the construction and operation of the Student Council.

National Honor Society

President Rob Skinkle
 Vice-President . . . Chris Little
 Secretary Pat Steffel
 Treasurer Diana Olsen

With the qualities of Scholarship, Character, Service, and Leadership the members of the Hebron Honor Society set forth with determination to carry out various worthwhile projects. Among these endeavors have been ushering at convocations and programs, carrying out a March of Dimes Campaign, and presenting an Easter program. We are proud and honored to have a working Chapter of the National Honor Society in our school.

Hawker Staff

Editor Diana Olsen
 Assistant Editor . . . Charon Snowden

The hard working Hawker Staff has done a fine job of issuing the school paper every month. They have kept us informed of school events and have provided us with some fine articles on various subjects. The staff is under the direction of Mrs. Lawson.

GAA

The GAA is run by a point system giving the girls a chance to contribute her own points, by going to play nights, the annual dance, and activities. This year some of the girls successfully began a basketball team, playing Kouts in an interesting game.

President, Bobbie Hough; Vice-President, Linda Fox; Secretary, Mary Martin; Treasurer, Chris Little.

Booster Club

The "Arabian Knights" of Hebron High followed the mighty "Hawks" faithfully at a gallop this year. Dressed in their red and white and amply prepared for win or defeat they cheered the team on time and again.

President, Bobbie Hough, Vice-President, Matt Bryant; Secretary, Diana Olsen; Treasurer, Tom Evans; Recording Secretary, Doria Armstrong.

Projectors Club

The members of the Projectors Club give the faculty a "helping hand" in the use of audio-visual aids in the classroom. Equipment available includes a movie projector, slide projector, opaque projector, and an overhead projector. In use for the first time is a special audio-visual room to store and use the equipment. Good use of the equipment helps to enrich the educational program at Hebron.

Safety Patrol

The Safety Patrol has meaning at Hebron. Their record speaks for itself. There has not been an accident involving a child under the supervision of the Safety Patrol for eleven years.

Patrol members, mostly in junior high, guide grade children across the highway whether rain or snow, or shine; whether hot or cold weather prevails. Members of the patrol are treated to a professional baseball game each spring. This is their only reward other than knowing their job was done well.

Athletics

Baseball

Our Hawk team took the county by storm during the 1963 baseball season. They attacked the county teams with vim, vigor, and vitality which enabled them to secure seven victories. In their crowning glory, they also re-captured the PCC championship. Bob Smock, Bob Ellenson, Paul Rosenbaum, and Don Clinton were named by county coaches to fill four of nine first team positions on the 1963 all-conference team. Mike Wright was selected for the second team.

Varsity Basketball

The highest scoring team in Hebron's history functioned with great success during the '63-'64 season. The Hawks fought their way to victory 17 times and only on four occasions failed to conquer their ball. In achieving their record they defended their Porter County Conference title. For the third consecutive year Hebron fans watched the Hawks win seven games in conference play without a defeat.

The high scoring quintet passed the 90 mark seven times, were over 100 three times and averaged 80 points for the season. Local fans will remember and talk about the Lowell and LaCrosse games long after the fine season record is forgotten. Both games were overtime affairs with Hebron prevailing in the Lowell game 101 - 100. The LaCrosse game was tied at 87 each at the end of regulation play. The Hawks broke the game wide open by ripping the nets for 20 points in the three minute overtime session. The 107 points scored set a Hebron single game record. The Hawk team treated county fans to some great individual performance also.

The season scoring record was broken for the third consecutive year. Bob Ellenson slipped 461 points through the nets to top the record of 437 set last year by Bob Smock. However, Bob Smock re-wrote the record book with 546 points. Thus, he became the first Hebron player to reach 500 points in one season and the first county player to reach 500 before the sectional tourney.

The junior varsity had another successful season winning 14 while losing 5. The young Hawks provided fans with exciting basketball from the first game to the last. Three of their five losses were one point decisions. The junior varsity exhibited a high scoring offense which produced a season high of 81 which is a Hebron school record for the junior varsity.

After losing several very close meets the steadily improving Hawk Harriers came into their own late in the season. Their strong finish gave Hebron its first P.C.C. Cross Country Championship and also a victory in the LaPorte-Porter bi-county meet. Bob Morrow lead the Hawk runners followed closely by Steve Simpkins, Dick Steffel, and Gary Osburn.

Track

The members of the Seneca Staff regret that we do not have the track record for this year, but with returning lettermen in the distance runs, dashes, and field events and some promising freshman prospects, the Hawk cindermen are anticipating a successful season climaxing an outstanding season in the other sports events.

The junior high basketball team was "up and down" during the '63-'64 season. They hit their stride at the season's end to finish second in the junior high tournament. The team finished the season with seven wins and nine losses. Two of these losses were to a Kouts team that finished its season undefeated.

The junior high baseball team finished the season with six victories and one defeat. The junior Hawks faltered in only the final game of the season. The record was good enough to give Mr. Schiek's boys their fifth consecutive county Junior High Championship. Following the leadership of the varsity, the junior high team depended on good pitching (one no hitter, two one hitters) and timely hitting.

Junior High Track

With the help of some promising seventh graders and a nucleus of returning eighth grade lettermen, the junior high track squad had a successful season.

Custodians

George Dodrill, Wayne Fry, Dave Antrim.

The custodians help in building maintenance by repairing broken fixtures as well as keeping the rooms clean and trimming the landscape.

Cooks

Eva Osburn and Freida Larsen.

The cooks have a big task in keeping two kitchens operating smoothly and feeding half the student body.

Marie Applegate and Wilma Carlson.

Bus Drivers

The bus drivers transport about half of the students enrolled in Hebron. Their responsibilities are many, including getting the pupils to school on time and, even more important, safely. The drivers should be commended on their excellent safety record. Some of the drivers have to make two trips in the mornings.

Seneca Staff

The Seneca Staff started early in the school year to compile the Seneca. Our meetings were held on Monday nights. Sometimes we didn't seem to accomplish much and had to do and re-do many pages. However, we have finally managed to finish the yearbook without errors, we hope. We hope you have enjoyed it.
